

# DJ KK

Official 2026 Press Kit

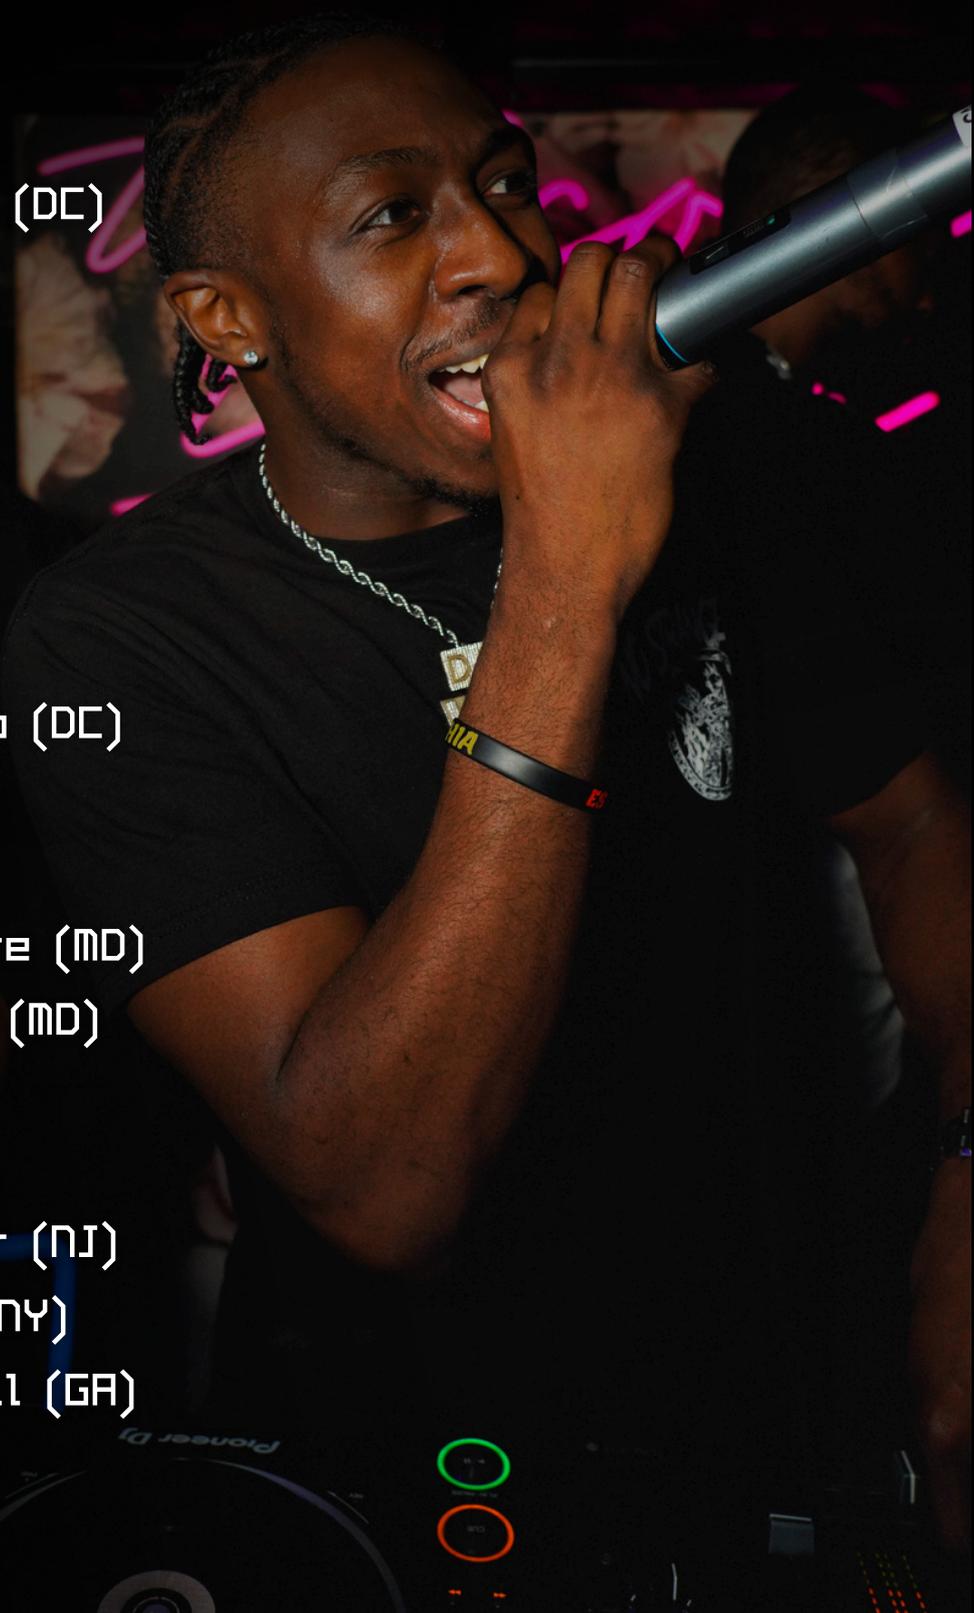

At 26, DJ KK is one of the most energetic and in-demand DJs in the DMV – known for delivering concert-level energy and top-tier nightlife experiences. Ranked the #2 college DJ in the nation in 2022, he quickly rose beyond the campus scene to become a key figure in DC nightlife, earning the title “The Youngest In Charge” from both peers and OGs.

As Co-Founder of HeadStart Entertainment, KK has produced major events across the DMV, drawing over 20,000 attendees and partnering with brands like Don Julio, Casamigos, and 3708 Spirits. He also serves as a resident DJ for leading nightlife groups including High Status, AKT, Epic Hospitality, GM Tour Hospitality, and New Percent.

Beyond the club, KK delivers high-energy, concert-ready sets and has DJ'd live for artists such as Travis Porter, 41, YK Neice, and Cash Cobain. His versatility and crowd control have made him a go-to DJ from the DMV to the Tri-State area, Atlanta, and the Carolinas.

# NOTABLE VENUES

With a signature blend of Hip-Hop, R&B, Afrobeat, Dancehall, and high-tempo party music, KK continues to elevate every room he steps into—cementing himself as one of the next breakout names in DJ culture.
